

## INSPECTION AND TESTING CHARGES

Rev.2, 17 Nov 08

	Fixed Displacement	Variable Displacement	Double Units
Functional Test Only	\$100	\$150	\$150
Disassemble, Inspect and UFA Only	\$250	\$350	\$450
Functional Test (if condition of units permits) Disassemble, Inspect and UFA	\$350	\$500	\$600

1. Charges will apply to NON-WARRANTABLE units that are directed to be Remanufactured.
2. For WARRANTABLE units, charges for those activities deemed necessary by LHC will be waived.
3. Functional Test charges will apply to WARRANTABLE units if the customer demands testing after LHC deems test unnecessary.
4. For tandem units, the charges listed above apply for EACH unit in the tandem assembly.
5. A Purchase Order must accompany the request for inspection and/or test before LHC will issue a Return Authorization (RA) Number.
