

LINDE HYDRAULICS CORPORATION (LHC)
2007 – 2008 INSPECTION AND TESTING CHARGES

Rev. 1, 18-July-2007

	Fixed Displacement Units (per unit)	Variable Displacement Units (per unit)	Double Units (per unit)
Functional Test Only (if condition of unit permits)	\$100 USD	\$200 USD	\$200 USD
Disassemble, Inspect, and Report Only	\$300 USD	\$400 USD	\$500 USD
Disassemble, Inspect, Report, and Functional Test (if condition of unit permits)	\$375 USD	\$550 USD	\$650 USD

NOTES:

1. For tandem units, the charges listed above apply for EACH unit in the tandem assembly.
2. The charges listed above will be waived if the unit is remanufactured by LHC at published remanufacturing prices.
3. The charges listed above only apply to NON-WARRANTABLE units.
4. For WARRANTABLE units, the charges for those activities deemed necessary by LHC will be waived.
5. Functional Test charges will apply to WARRANTABLE units if the customer demands testing after LHC deems that testing is unnecessary.
6. A Purchase Order must accompany the request for a Return Authorization (RA) before LHC will issue the RA.
